

Susanna Wesley Foundation 10th Anniversary Symposium

Wednesday 26th March, Southlands College, University of Roehampton

Additional information

Travel directions from central London

By Train

From Waterloo station to Barnes Station takes around 20 minutes with trains running approximately four times an hour. It's a short walk (10/15 mins) from Barnes Station to the university main entrance or a short ride on the 265 or 419 bus.

By Tube

Nearest station is Putney Bridge (District Line). Take the 265 bus immediately outside the station which stops outside the main entrance of the university. The journey should take around 15/20 minutes but please allow waiting time for the bus to arrive.

By Car

A limited number of unallocated spaces will be reserved in the main Southlands College car park, using the main entrance on Roehampton Lane on a first come, first served basis. Car details, if not already advised to us, will need to be registered with Security, either by emailing details to Southlands College (southlands.college@roehampton.ac.uk) by 25th March or by signing in on the day of the event at the Security Building, Stuart Lodge. Please note after 8.00pm, exiting campus from the Southlands College car park will be via the Stuart Lodge exit as the Main entrance will be closed.

For those attending the dinner only, limited parking will be available outside Grove House, using the Froebel Gate entrance rather than the Main entrance. As both entrances are on Roehampton Lane, for sat nav purposes, use the postcode SW15 5PJ for the Froebel Gate entrance.

Other information

We have adopted a 'default veg' policy, whereby vegetarian food will be offered by default at catered events. '[DefaultVeg](#)' is an initiative of Creature Kind.

At the symposium, the programme, biographies and campus map will be available via a QR code rather than as paper copies, to reduce our carbon footprint.

The symposium closes at 5.30pm.

For those attending the celebration dinner, the drinks reception starts at 5.30pm followed by dinner at 6.15pm, in Grove House, Froebel College.
